NAPLAN RESULTS

Tomorrow the years 3, 5 and 7 students will receive their NAPLAN reports to bring home to you.

This is only one measure for students and we use the results with class data sets and PAT- Maths and Reading to help us develop a whole picture of each student and their growth. Our NAPLAN results indicate some excellent growth in many areas across the school and some students moving into the higher bands in reading.

If you would like to discuss your child's results please contact his/her class teacher.

Remember next week there are optional parent, teacher and student interviews. If you would like to meet with your child's teacher, please complete the interview form sent home this week and request a time.

PUPIL FREE AND SCHOOL CLOSURE DAYS

Don't forget that **next Thursday 7th and Friday 8th September** are Student Free/School Closure days.

On the Pupil Free Day we will be working with other Partnership schools to moderate student portfolios. To provide a student grade for reports, teachers must moderate at least 5 pieces of work per subject.

From this information teachers identify the aggregate grade for student's reports. As you can see this is very complex work, the more training we do on this and work with other schools, the better our skills in this area will be.

Friday is a School Closure day which allows families to attend the Royal Adelaide Show, if they haven't chosen to take a long weekend and gone away to find some warmth and sun!!!!

STAFF DEVELOPMENT

Gail Holland, Leading Improvement Co-ordinator, has been at our site today. In the last newsletter I mentioned her visit. Today she has worked with each sector of our school working with teachers to further develop their planning, assessing and task design. David and I have been able to join in in each session and are very impressed with the development of our staff in these areas.

FATHERS DAY STALL

Thank you to Kelli, Nicole, Jenny, Donna and David for working on the Father's Day stall Tuesday.

The stall will be operating again tomorrow for those students who forgot their money earlier in the week. We are so fortunate to have such wonderful volunteers to help such ventures and raise money for our school.

Remember the Fund Raising Committee aims to earn enough money during the year to provide each class with \$300.00 towards off-setting camps and excursion costs for students. So the more we support this group the more assistance you will have when trying to finance your child's camps or excursions.

CHOIR CONCERT PREPARATIONS

Tuesday our choir went to Adelaide for their first rehearsal. Marg Underwood went with the choir and said it was absolutely amazing!

We are all looking forward to going to the Entertainment Centre to see our students amongst the 1000 strong choir. It sounds like we will be in for a real treat!

FUND MY NEIGHBORHOOD PROJECT APPLICATION

This week I have put an application in for the Fund My Neighbourhood project.

I have requested funding for two Nature Play areas for our school. If our application is accepted by the committee, it will be posted and people will be able to vote. So if we are successful I will let you know and ask for your assistance by voting for our project.

CANTEEN NOTICE

Sports Day will be held on the last day of this term, Friday 29th September.

The canteen will be open for some hot food and sandwiches for adults. Students will be able to purchase ice blocks and ice creams, slushies and other items on the day but are unable to order their lunch.

PLEASE PACK YOUR CHILD LUNCH AND RECESS AS PER NORMAL.

BOOK WEEK PARADE

Wasn't our Book Week parade just amazing?

In all my years in education I don't think I have ever seen so many wonderful costumes.

Thank you parents for the time and effort you put into making your child's costume.

Thank you to all of the students for engaging in our parade and helping us to enjoy and celebrate book week.

The Nuriootpa High School Band was also great and our students were thoroughly entertained. We really enjoyed the performance and it was great seeing ex-students returning and performing, it provides wonderful guidance for our current group.

ZOO SNOOZE

Mr Rostig and Miss Xerri's class had a great time at the Zoo Snooze. How fortunate were they to have such great weather. Thank you to staff and volunteers who planned, supervised and managed this great excursion, our student's really appreciate such support.
